Lakeside Diagnostic Imaging is now Medical Diagnostic Imaging

The physicians and staff of Medical Diagnostic Imaging (MDI) are pleased to announce that Lakeside Diagnostic Imaging is under new management and is now a part of the MDI family, with our experienced radiologists supervising and interpreting studies.

As part of our commitment to our referrers and patients, we will continue or enhance all of the services that have made MDI an important part of the surrounding medical communities.

Those services include:

- Free transportation
- Same-day scheduling
- Fast report turnaround (as little as three hours)
- Expanded exam hours (now open until 7:30 a.m. to 6:30 p.m. Monday – Friday)

Plus, our board-certified radiologists, certified technologists and friendly, compassionate staff help ensure the best possible quality and patient experience.

Although the name is new, the address is the same:
