

MDI's Radiology group is now offering Interventional Procedures. Milwaukee Radiologists LTD (MRL) has been performing procedures in many hospitals in and around Milwaukee for 52 years. We are now expanding and diversifying and will be bringing our expertise to non-hospital outpatient facilities in your area. With many years of experience combined, we provide state-of-the art treatments to help our patients live healthier, happier lives! Please visit www.mkeradsIR.com to learn more about the conditions we treat.
